Toronto, Ontario, February 18, 2016: Caledonia Mining Corporation (“Caledonia” or the “Company”) announces the results of the Special Meeting of Shareholders (the “Meeting”) which was held today at 10.00am (Toronto time) to consider a special resolution (the “**Continuance Resolution**”), to approve:

- the continuance (the “**Continuance**”) of the Company from Canada to Jersey, Channel Islands, pursuant to the provisions of the *Companies (Jersey) Law 1991* (as amended) (the “**CJL**”); and
- to adopt new charter documents of the Company upon the Continuance, which shall include amendments to the existing charter documents of the Company including a change of the Company’s name to “Caledonia Mining Corporation Plc”.

Caledonia’s Board of Directors has therefore resolved to proceed with the proposed Continuance of the Company into Jersey, Channel Islands whereupon the Company will also adopt new charter documents and change its name to Caledonia Mining Corporation Plc.

The process for the Continuance is as follows:

- the Company will make an application for a Letter of Satisfaction from the Director appointed under the Canada Business Corporations Act to permit the Continuance;
- Subject to receipt of the Letter of Satisfaction and compliance with all of the requirements of the CJL, the Registrar of Companies in Jersey will issue to the Company a Certificate of Continuance; and

It is estimated that the Continuance will become effective on or around March 21, 2016, although this timing is subject to the receipt of regulatory approvals which are not within Caledonia's control.

The Continuance will represent a re-admission to AIM. As a quoted applicant under AIM Rule 2 of the AIM Rules for Companies, the Company is required to provide the London Stock Exchange with certain information specified by Schedule One of the AIM Rules for Companies ("**Schedule One**") at least 20 business days before the expected date of re-admission to AIM.
